

Early Notice and Public Review of a Proposed Activity in a 100-Year Floodplain

To: All interested Agencies - Federal, State, and Local - Groups and Individuals

This is to give notice that the City of Lawrenceburg under CFR 24 Part 58 has conducted an evaluation as required by Executive Order 11988 and/or 11990, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management, to determine the potential affect that its activity in the floodplain and wetland will have on the human environment for a Community Development Block Grant under B-17-DC-47-0001.

Project consists of replacement of approximately 1,460 linear feet of old, failing 8 inch sewer main, replacement of the old 10-inch concrete pipe all the way to the College Avenue manhole, replacement of manholes. Less than an acre of floodplain will be disturbed. The proposed project(s) is located in basins 10 and 12 of the Lawrenceburg Sewer System, Lawrenceburg, Lawrence County.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by the City of Lawrenceburg at the following address on or before November 20, 2017: City of Lawrenceburg, 25 Public Square, Lawrenceburg, TN 38464 Attention: Keith Durham, Mayor. Comments may also be submitted or further information can be requested via email at jdicapo@lawrenceburgtn.gov. A full description of the project may also be reviewed from 8 am to 4 pm at the address above.
