

Fire Chief Jay Moore says, "The mission of the Lawrenceburg Fire Department is to protect lives, property, and the environment of Lawrenceburg, and if requested, Lawrence and surrounding counties.

"This includes extinguishing and investigating hostile fires, presenting life safety education programs, rescuing persons in danger, controlling hazardous materials incidents, mitigating the effects of natural disasters, and providing first responder services to people experiencing potential life-threatening medical emergencies.

"In performing our daily tasks and while on emergency incidents, we will always be professional and courteous to each other, the persons we are assisting, and the public in general. In pursuing our mission, we commit to these guiding principles:

- To always treat our citizens with courtesy and respect

- To work towards improving the quality of service that we provide through the highest quality training available

- To take personal responsibility in attaining organizational goals and pride in our work

"On behalf of the entire department, 'Thank-you' for the privilege of serving you."

The Lawrenceburg Fire Department operates two fire stations in the City of Lawrenceburg and has 28 full-time staff members on three shifts.

**Fire Station No. 1
Hazardous Material Operation
Fire Station No. 2**
